Dear Participants of Live Instruction,

Thank you for your participation in live instruction. It is imperative that we follow all of the protocols set forth by the notices you have already received and guidelines set forth by the school, district, county, and CDC.

It is important that you are mindful of the protocols for screening and the set of questions you will be asked along with your temperature screening:

“In the last 24 hours have you had any new onset and/or unexplained sore throat, shortness of breath/difficulty breathing, headache, fever, chills, cough, diarrhea, nausea, vomiting, body aches/pains, pain, swelling, redness, or rash on toes or fingers, new rash or skin symptoms, or new loss of taste or smell?”

Your honesty and transparency are critical for us and the rest of the school and district to remain open.

Please also be aware that our screening will take time and you being late will require that instruction stops for screening. Be respectful of others, remain patient, and remain physically distant as these procedures occur.

Please arrive at 3:45p to allow time to be screened. Rehearsal will start promptly at 4pm and end at 5pm. Students shall remain physically distant while they're ride arrive.

Thank you,

Mr. Cook, Mr. Guerrero, and the Music Department Staff
