Concert Ensemble Audition Information

Thank you for your interest in the Music Department at Camarillo HS. We understand that an audition can be intimidating, but please consider the following:

- ALL auditionees will be accepted to the Camarillo HS Music Department. These auditions give us the opportunity to place you in the proper ensemble to foster your growth as a musician.
- This is an opportunity for us to get to know you as a person and musician.
- Immediately after your audition, your parents can ask us any questions they have about the Music Department or ACHS.
- We understand that some of this music may feel above your current ability. If so, just try your best!

Audition Specifics

Concert Band, Symphonic Band & Wind Ensemble Honors

- Winds and percussion (on xylophone), please pick 1 major scale and 1 natural minor scale as well as play the chromatic scale in a comfortable range.
- *Theme and Variation 1* is suggested for consideration of all ensembles.
- *Theme, Variations 1 and 2* for consideration for Symphonic Band.
- *Theme, Variations 1, 2 and 3 (or more)* for consideration for Wind Ensemble Honors.
- The suggested tempo is provided, but is less important than note accuracy and tone/sound quality.
- PERCUSSION: please note that you should ideally perform an audition on BOTH a mallet instrument and a snare drum. However, if you don't have access to one or both of these, you may even just tap out rhythms on a pad or a counter if need be. We understand these are not ideal situations.

String Orchestra

- All Instruments: play the D Major scale as shown on your audition page.
- All instruments should play the entire audition excerpt as shown.
